

Luke Tavolacci

OCT

SPECIALIZING IN
ACCOUNTING, ECONOMICS

www.allabouttutoring.com

Luke is a Ontario Certified Teacher who completed a Honors Specialist in Economics with a Minor in Math at York University, received his Bachelors of Education from Niagara University and further completed a Honors Specialist in Business Studies at Queen's University. He has over 6 years of teaching experience.

In his current high school, he involves himself in various extracurriculars. He runs "The Real Business" club where he teaches students the practical applications of advertising software's using Google, Facebook, Instagram Ads and teaches realistic applications accounting software like QuickBooks and Wave Accounting.

About the Lesson:

Our first lesson will consist of a consultation with the parents and students about what our learning goals are and what they want to be the focus of our tutoring sessions. An initial diagnostic assessment will be used to see the student's current academic comprehension and level. Once we determine this, we can create a priority-based goal list to help the students grow in their learning and close any gaps in content knowledge.

Languages Spoken:

English, Italian

Available for Tutoring:

Math (1-12), Business (1-12),
Economics (11-12), Accounting
(11-12), Fitness (9-12)
