Amanda holds an Honours Bachelor's Degree in English (major) and French (minor) from York University. Driven by a passion for languages, she has 2+ years of experience tutoring elementary, high school, and adult learners in English, French, ESL, and Math. In her spare time, Amanda enjoys watching the Toronto Blue Jays and traveling. She enriched her cultural and language skills through the EXPLORE program at UQTR and volunteers at Vaughan Public Libraries, helping non-English speakers master conversational English to build confidence and curiosity.

About the Lesson:

Our first lesson will consist of a consultation to create a learning plan of your goals. Through assessment, I will determine comprehension and academic levels. Through goal-setting, we will create strategies for improvement.
